“ *The first day that i met Mileno I could immediately tell that he had a great spirit. I can't recall a day when he didn't offer a smile or a joke to brighten up my day. It's rare to find people who exude the type of niceness that he did, and for this he will be missed dearly. Continue to shine down on all of us and enjoy the eternal peace that you deserve. <3*

“ *Mileno was a gentle soul and was content with whatever he did. However, nothing compares to the vision and the knowledge he has now. He sees what we can't, and knows what we do not. His new life has just begun forever :) Until we meet again, keep us in your prayers! See you soon Mileno xoxo Love you, Debbie*
