“ *My deepest condolences go to the Rhoads family. I loved Minnie and shared lots Of good times together while walking at Northland mall. We would celebrate each others birthday, shop at Macy's,go to Sams club and church events until our health failed. Thanks to her caregiver Denise, I was able to visit her at Heartland until covic.that's when she really went down, not being able to see or talk to family and friends. Rest in place Minnie*

*You have my condolences. I met Minnie years ago at Springhill MBC, but we became really close while walking at Northland Mall. She was a joy to know and to be in her company. I visited her until covid but only because of the wonderful caregiver named Denise, she would push me in a wheelchair to see Minnie.*
