“ Miss Jasmine Collene Binion

“ To the family of Jasmine Binion: I am sorry to hear of the loss of Jasmine. She was a beautiful young woman; who should have had her whole life ahead of her.

We are all precious in God's eyes. In the bible, Jehovah God promises everlasting life. He always tells the truth, he does not lie. Jasmine can rest now from all her suffering and pain. We must continue to struggle to survive this wicked world, with the crime, violence, war, sickness and death. God did not intend for us to live this way.

The bible gives us much hope and comfort ". 2 Corinthian 1:3-4. Jehovah is the, "God of all comfort" and HE helps us understand how He and Jesus Christ feel about death. Death is an enemy that pursues us all. None of us can out run it. Jehovah is far more powerful than death. Jehovah is our rescuer who has already shown (by Jesus resurrection) that he can defeat this enemy. Death we hate it, but it is there. 1 Corinthians 15.26 (As the last enemy, death is to be brought to nothing). Isaiah 26:19 "your dead ones will live ...they will rise up". We WILL be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future.

John 5:28-29, Jesus said "all those in the memorial tombs will come out" and there will be "a resurrection of righteous and unrighteous". Yes! What a happy time that will be. Our Loving Heavenly Father Jehovah God has promised (please read Acts 24:15; Psalms 37:11, 29, 34). May this precious promise from God's word the Holy Bible provide you with comfort.

“ *The promises of God are dependable. God promised us if we believe in Him we would gain eternal life. My lovely, sweet niece Jasmine has that status now. I thank God for her life because she left a legacy to be continued. She took life by storm and grabbed it with everything she could and lived and was happy and thankful.*

We will certainly miss her; but praise the Lord because He gives life and take it away. Bless His name.##imported-begin##Joyce Sykes##imported-end##
