“ *To The Dickerson Family,  
What an honor it is for me to have been blessed with the privilege  
of participating in Kaytya's care. It overwhelms my heart with  
sadness to learn of her passing. However, I rejoice in the fact that  
she now dwells in the perfect care of God's loving arms. Although  
we know that all angels must return to heaven; Kaytya will be  
greatly missed. I am so grateful to God that He allows the beautiful  
memories of her to remain in our hearts forever. I pray that God  
gives you the strength, courage, and peace that surpasses your  
present sorrow. Thank you so much for sharing your angel Kaytya  
with me.*

*Sincerely,*

“ *As I witness you care for your daughter at a Christmas party. Your relationship with your daughter and your son encouraged me by seeing love and patience. I don't really know what to say, I do have a medically fragile son whom has taken places which has allowed me to meet such wonderful people such as yourself and your family. At this time my heart, thoughts and prayers are for you and your family that have peace which surpasses all understanding as you keep your mind on the Lord Jesus Christ.###imported-begin###Janice Tucker ( Chucky's mom )###imported-end##*

“ My sincere condolences to all of the Dickeron family and friends. The loss of a young child is a terrible trauma it leaves a permanent gap in the lives of the parents. May this hope that awaits us and your loving memories of Kaytya bring you a measure of comfort at this difficult time.###imported-begin##Lynda Harris###imported-end##
