“ *Sha'kyra was a seventh grade student in my class. I was devastated to hear of this tragedy. My heart longs to know why someone so young and full of hope could be taken in such a way. She enjoyed class, was a positive student and enjoyed participating in activities. Yesterday, I sat reading her assignment portfolio on the basement floor. Her goals were so optimistic, she will be missed.##imported-begin##Tamara Pardington##imported-end##*

“ *Hold on don't you ever let go  
Let my Jesus lead,  
I guarentee he knows  
that the road is rough  
the going gets tough,  
The hills are hard to climb  
look to Jesus for a piece of mind.*
