“ I was recently drawn here! I remember Shanice from school. Although we really didn't know each other, We spoke at a school dance, she was so sweet, at time hip rolling was very popular lol I asked her could she teach me, although not knowing me well, she says yes I'll teach you ... I add, I wasn't very popular for her to even consider, it showed me what type of person she truly was and I'm stuck with that memory forever. She will always be remembered for being a Kind person she truly was! I never forgotten that moment!
