“ Words cannot express

*No words can express, but yet I try...
I must confess, I'm saddened...
God knows...*

*No words can express, but yet I try...
I must confess, I'm glad...
Taylor's life touched so many...*

*No words can express, but yet I try...
I must confess, I rejoice...
From BEG to END, God is with her...*

*Through it all God will be there...
I must confess, you will feel it...
With every prayer, kiss, hug U get...*

*Through it all God is here...
I must confess, you will know...
In each "I love U" received...
I will confess, you know...
Cause God left U a lifetime of memories, of your little angel,
Taylor.##imported-begin##Angela Star Chandler and

“ *My sweet dear Niece, I can not believe you are gone. It was only a few short weeks ago that I was able to talk to you over the phone and hear your voice. How excited I was to be able to speak with you. Sharing with me which High School Musical was the best and what it was you were doing on the computer. I miss you, I remember the day you came home from the hospital and seeing you in your Daddy's arms. I loved you then , and I love you now. My Taylor Ashley Moore...T.A.M...Just know your Auntie Tam loves you. Thank you for shining down on me, a strange calm has surrounded me. I thank you for that. Kella and Pearl, many prayers are surrounding you as well.*
