“ My heart breaks as I see the beautiful picture of your dearest Taylor. It's so important to reflect on the happier memories you shared with her. Look at photos and videos; it might be painful at first. Those memories will help you to heal. Prayer to God is not an emotional crutch. It is real and vital communication with the "God of all comfort", who will comfort us in all our tribulation". "Throw your burden upon Jehovah himself, and he himself will sustain you". My thoughts and prayers are extended to you at this time of loss. Please take comfort in the love and support from friends and family. Never miss an opportunity to tell your loved ones what they truly mean to you. May you find peace and comfort knowing she is not suffering. I hope the beautiful memories of Taylor's short life fill you with joy. Psalms 55:22 2 Corinthians 1:3, 4; Revelations 21:3-5, Acts 24:15.##imported-begin##Liz Malone##imported-end##
