“ *Gerald - I am very sorry to hear of your loss of your wife. I wish you healing and memory in this time. My heart goes out to you – as you are such an amazing, unique, talented, special person. Your interest, attention, care, respect and love for others is so clearly represented in how you treat others. You are that very unique person - that when in your presence - one does not want to leave your side - you truly have a gift of deep connection with others. I wish you peace now – and stay strong for yourself and your family. Move forward, slowly, carefully and with the grace, poise, strength and style - that you show in yourself -and what you give to others. Take care my friend. Yours truly. Jonathan Strong*

“ To the entire family of Monteal, we are sending our love to all of you. Chuck and I met Monteal and Jerry in 1987 when our daughter, Stephanie, enrolled at St. Michael's school. Stephanie and Jessica became good friends and still are to this day. Over the years our families spent lots of time together at school events and including vacation time mostly with our daughters. Stephanie was included on several family vacation trips with the Rimmers to Myrtle Beach, etc.

We moved from Detroit to Atlanta in 1996 and the last time we saw Monteal was in Sept 2014 at Jessica and David's wedding. In fact, we saw Monteal and Jerry twice in 2014. In February 2014, they honored us with their presence at the wedding in Atlanta of our daughter Stephanie. We were excited and so happy to see them. I am including a photo of Monteal and Jerry dancing during the wedding reception. As always Monteal was gorgeous and smiling the entire time with us. Very happy moments for us and how we will always remember Monteal, always gracious and smiling. We will rejoice in knowing she lived a generous life and spread joy to all who came in contact with her.

Sending our love to the entire Rimmer Family, we are keeping all of you in our prayers and thoughts.

Love,

Chuck, Louise and Stephanie (Middleton) Steele

“ I will never forget meeting Monteval for the first time. She was a powerful presence, backed by tremendous strength and full of so much love for her family. I also can't forget the way she laughed, long evenings just watching TV while eating Chinese, holidays and birthdays.

These are memories I will always cherish. I wanted to say thank you for welcoming me in your home with so much love, respect and good humor. My sincere condolences, and I hope you find some solace in the fact that we will all miss her.

“ We miss Monteal, but have fond memories to hold onto. We worked on many things together throughout the years...vestry, DOK, yard sales, etc. I remember her giving me advice at 16 on an upcoming driving test. She said when you get to a stop sign just spell it out in your head to make sure you do a complete stop. Now at 44 I still spell it out in my head! Jerry and family we will keep you in our prayers.

Love,
