“ i dont know if this is the Moses that use to help train kids in boxing. If so i am crush, Moe was a great guy and heck of an idol. Damn, its been years since i had seen or spoke with him. If this is the Moses I think it may be I'm just finding out the horrific news. I'm lost for words.

“ When I am missing u really badly like I am today sometimes I google your name hoping that lots of pictures of u pop up so that I can see your smiling face.. I don't have but few pictures of u Moses but the memories we made are enough for a lifetime you were the greatest man I'll ever know the world is truly missing out 💔 there aren't enough to words to express the love and appreciation I have for u if there are I guess I don't know them I just wanted to say that I love u for always and I know we'll meet again ❤️

“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words for Jehovah found at Revelation 21:3, 4. For more information on the scriptural hope, please visit: www.jw.org.*
