“ *This year will mark the 3rd year anniversary since your death and believe me when I say this im still hurting inside from the loss of you not being with me. Not a day go by that I dont think of you sometimes I just lay in bed think of you and crying just from the thought of not heraing your voice or seeing your face. If god asked each and everyone here on earth who would be that 1 person we choose to live forever hands down you have my VOTE! Well I guess I will end this note by saying I love beyond death and I miss you very much*
