“ Aaron it is very hard to believe you are gone. We will never forget what a wonderful friend you were to us. Although we've been friends for years, in just the last two months, we shared happy new beginnings in our lives together and the sad endings. Our thoughts are prayers are with your family. If Mel & the boys need us, you know we are here for them.###imported-begin###Tom & Angie Linder###imported-end##

“ Melva, Mel, Stefan, Jevon and to the rest of Aaron's family, I wish to thank you for your influence in nourishing one of the most amazing people I have ever met, and a man whom I am pleased to have called one of my best friends. I know this time is very hard for you, as it is for everyone close to Aaron, but the positive and good-natured energy that Aaron shared with everyone could only have come from being surrounded by such wonderful people. For as sad as this loss may make us, it is also important to cherish the memory of the time we had with Aaron, no matter how short that may feel right now. Thank you for your influence in shaping Aaron's wonderful soul.

To Aaron: (and I know you're reading this, because you'd never miss out on the chance to read something like this and laugh at how dramatic we're all being) I'm sorry I wasn't there for you at the end. I'm sorry I missed your birthday party, I'm sorry for every time I missed hanging out with you. The irony of death is that it brought us closer together before it took you away. I can't emphasize enough how much I miss you and how much time it will take to overcome this loss. You were honest with me in ways other people are not honest with anyone, not even with themselves. If I had a chance to do it over again, I would. Goodbye for now my friend.##imported-begin##Gabriel Paul Sandler##imported-end##

“ Aaron,

You were a remarkable person in this life and I'm really honored I had an opportunity to meet with you. As a "true house head", your music helped a sista get through "some days" honey and your music will continue to house all of us from here to the UK!!! I have peace in my heart because you are not suffering but BABY your physical presence will be missed. House it up on the "wheels of steel" and give a hearty snap and kick for me to my daddy in heaven.##imported-begin##Diadrian Washington AKA Majyck D##imported-end##

“ Rest in Peace my brother. You were and will remain my brother.

We are the music makers,  
And we are the dreamers of dreams,  
Wandering by lone sea-breakers,  
...And sitting by desolate streams;  
World-losers and world-forsakers,  
On whom the pale moon gleams:  
Yet we are the movers and shakers  
Of the ...world for ever, it seems.##imported-begin##DJ

“ It is with deepest sympathy that I express these feelings. Nothing words can say, nothing a friend could do, could make up for the passing of one so dear to you. But it may bring some measure of comfort and relief to know that sympathetic thoughts are with you in your grief. May the comfort of Jehovah and his son Jesus, bring peace to your hearts now and through the days ahead. May your tears of sadness turn to smiles as you remember the times shared with Aaron. 2 Corinthians 1:3, 4; Revelations 21:3-5 Isaiah 26:19, Proverbs 3:5-7.###imported-begin###Liz###imported-end##
