“ *Mr. Jones was always a gentleman in maner and dress. I will always remember his kindness and his true "old school gentleman nature". He reminded me of my grandfather who I never saw in blue jeans or tennis shoes. He will be missed by all and my prayers and also the prayers of my family are extended to yours.##imported-begin##Afreida Wade##imported-end##*

“ *Grandpa Jones!*

What can I say, you were always kind to me when I visited and you always looked out for me. I always knew you were proud of me in your own silent way, something I never questioned! I know you are in a better place now, home with Grandma Jones. Just know that while you will be missed, I WILL MISS YOU, I'm glad to know that your pain is no more and you are in a place you deserve to be, up above watching over those of us still behind!

Love,

“ *Dear Mr. Jones. You were the example of an honorable man. You've always treated me with kindness and respect. Not to mention what a good grandfather you were to my son Keenan. My fondest memories are from times when Keenan & I would stop by the house and we'd just sit and talk with you and Mother Jones. I'll cherish those times. We will miss you. “ I will miss Mr Jones very much. He was like a dad to me and I will
never forget his hug when my daddy passed away. He could make
me laugh and frustrate me to no end because he couldn't hear a like
(just like my dad!).
Mr. Jones, I'll miss you.
