“ *My memories of us, remain in the past... you were young and beautiful and had so much life ahead of you. You were a beautiful spirit, free and kind. I'm glad this is what I remember, I'm glad I had the chance to know you, to love you as a brother and friend. You are at peace now, no seizures, no pain, just peace. Good Bye Alex, thank you for being here and sharing your light with me.*
