“ *It is with great sadness that we must say goodbye to a loving husband, dedicated father and loyal friend. His warm smile and gentle manner will be missed and fondly remembered. Alex has left us far too soon but he will remain in our hearts forever. Love, The Owens Family##imported-begin##Derrick and Angela Owens##imported-end##*

“ *Uncle Alex was the next thing to a father to me. I got the opportunity to stay with him twice. In 2004 and 2008. I love him and no words can express how much he will be missed. He had a great energy and spirit and i loved listening to him talk and his jokes, especially his laugh. I am pleased i got to spend a lot of time with him and learn how a real man takes care of his family. He was a go-getter and i appreciated his drive.##imported-begin##Diandra Jones##imported-end##*

“ *Father, I pray for those who are grieving Alex Mims...*

They're hurting for many reasons, and I ask You to help them through this season of loss. I reach out to You, the Father of compassion and the Source of every comfort, asking You to touch them with Your unfailing love and kindness. Be their God who comforts them as they're going through their struggles, and bring them through the tough things ahead. Come alongside them in their pain, and strengthen them so they'll one day be able to help others who face the same struggles. (2 Corinthians 1:3–4; Psalm 33:22; 1 Samuel 20:14a)

You're close to people whose hearts are breaking, those who are discouraged and have given up hope. May You who see their troubles and grief respond when they cry out. (Psalm 34:18; 10:14a, 17)

When they're hurting, help them find their joy in You, for it's Your joy that will be their strength. Help them to trust You as their God of hope. Fill them with Your joy, peace, and hope by the power of the Holy Spirit. Help them experience the love, joy, and peace that are the results of His life in them, no matter what they're going through. (Nehemiah 8:10b; Romans 15:13; Galatians 5:22)

May they sense Your presence in this hour of need. In Jesus' name, Amen.

We love you

“ Take comfort in knowing that now you have a special guardian angel to watch over you.

Be Still

Be Still like the grass on a melancholy summer day

Be Still like desert shrub.

Be calm and you will hear your loved one speak, in the Stillness, in the calm, their love resounds.

If you are Still this promise I make, you will hear the voice of your loved one helping you along your way.

Alex was a Great Father and a Great Husband;He always kept you laughing;He will be sadly missed

Our thoughts and prayers are with you and your family in this time of grief. May the memories bring each of you comfort.

“ *Uncle Alex was a great man. He had a way to lift up people's spirits constantly. He was close to me, like another father. When my mom died, he was there. Right by my side to comfort me. I appreciated his presence. I'm sad that he had to go, but what could i do? He left with a well known purpose though and lead a great life. He raised Jared and Jalen well and left Aunt Joni happy. I just feel so bad that everybody is leaving. It doesn't seem fair to me but everything happens for a reason and hopefully we will soon see that reason. He will forever stay in my heart along with everybody else. I love Uncle Alex and of course his family. I love everybody and hopefully there will be no more deaths anytime soon...i miss him already. And he looked really handsome in that suit that he wore today. Uncle Alex had a smile so bright and a laugh so deep that even when you're down, it'll bring you up. I will miss that. R.I.P. “ Alex was an exceptionally good husband and father.. He was obviously raised well, because he was very respectful to me and my wife...Many in-laws don;t get along with their son's and daughter's spouse, but I couldn't ask for a better son-in law which made me proud to have Alex in our family. Many people never fulfill their dream....but he left this earth doing what he loved to do. I will miss him very much.##imported-begin##James W. Jones, Sr.##imported-end##

“ To my favorite family:
Alex and Joann Mims

*sometimes, THE
best times, ARE
the times, WE
ALL REMEMBER...*

Dear Joann, Alex, Jr., Jarad, and Jaylen, thank you for constantly reminding me who, what, when, and where family really always is...CREATIVELY IN YOUR HEART.

Joann, I will always love you and Alex. You reminded, and taught me what family and love really means. Each time I see your faces, I can focus on family definition.

You know Joann, "we" are the last of a breed. A breed of women that love home and family, with all the joy it truley brings. I want you to know that everytime I stepped into your home, and smelled something cooking, seen jarad, and jaylen causing confusion, kissed your beautiful dog, saw you and Alex mashing out some point for something unknown, it took me somewhere...back to 16253 Northlawn, when families were first, daddy, mommie, grandma, and granddad ruled the world, and Captain Kangaroo ruled CBS.

Joann, thank you, and I will always love you and Alex for reminding me what love really is...a family that stays together.

Love
