“ *I just wanted to let you know I was thinking about you all during this difficult time. I have so many great childhood memories because of C.C. Developing pictures in the basement, trips to the park in the back of the station wagon, the infamous nickname "tweetybird". As a grown up I now appreciate (as children) the fact the we had neighbors who we knew and trusted. We all respected C.C. as a father figure. He will be missed, but take comfort in knowing he touched many lives. May God bless you all.##imported-begin##Whitney Brantley##imported-end##*

“ To Joni and her family  
my deepest sympathy to you and your family on the loss of Alfonzo.  
I have heard throughtout many years of this fine person. I only knew  
him by "C. According to stories I have heard, he was truly a family  
man. Joni always talked about his love of family and his great love  
of his grandchildren. I only met him twice but I felt that I knew him . I  
know the family will be so lonely without him and hopefully they will  
be comforted by the love they have for each other.##imported-
