“ Wow! My heart is so heavy right now! My condolences goes out to the Jones family during this time. I met Aliyah during my hanging days at Bobby G's. He was a cool guy, and like everyone else said..short but with a Big heart! I just ran back into him about 2 yrs ago but never did I expect him to be gone so fast! It just seems so unreal to me. But one thing about it God doesn't make mistakes and just looking at how the world is today, I know my friend is in a much better place! R.I.P Aliyah###imported-begin##Felicia Jones###imported-end##

“ My prayers are with the Jones' family. It has been many years since I have spoken to Aliyah, but I have so many funny and fond memories. We were boyfriend/girlfriend during my senior year in high school. He had a great big heart to be such a little guy..... We used to skip school at Tee's house and listen to The Isley Brother's, "Living for the Love of You" over and over. RIP Slick.##imported-begin##China##imported-end##

“ I am so sorry to read of the loss of your dearest, Aliyah. The Bible describes death as our enemy, but our Loving God promises to undo the tragic effects of death. In John 5:28,29, God promises to resurrect our loved ones back to life. We can look forward to a time when 'death and pain will be no more'. (Revelation 21:4) May God be your true source of comfort and hope during this most difficult time##imported-begin##Liz Malone##imported-end##

“Wow! Is all I can say. I think about when my Uncle Archie and my Auntie Helen moved next door to the Jones's many, many years ago and became God Parents to Gwen's children..Since then we've been family. Aliyah was the smallest person with a smile only a happy kid could have, that smile remained with him even to this day always happy no matter what, that says alot about a person.. I will always remember that adorable smile and his wonderful personality...His God sister Me-Me had a B-day party and Aliyah had this pinkish looking cup of something in his hand and we asked what you drinking? He said I mixed a litte bit of this and a little bit of that, so we all laughed. He let us all taste this drink and it was the bomb...Seriously! Everybody wanted one. We all was like Mmmmm make us one. You know, he thought he was that deal and ego just blew up.. We asked what you gonna call it? Knowing Aliyah you know what he said.. OOH GOT DAMN....Lol.. Love you Aliyah..RIP###imported-begin##Tametra Owen##imported-end##

“Aliyah was my best friend. We have been friends since we were 15. He called me his "darling." lol and thinking of his outrageous laugh makes me smile. I loved him very much. I am so broken hearted over his death and no words can describe what losing him means. My prayers are with his family and especially his mother whom he loved very much.###imported-begin##Sonya Craft##imported-end##
