“ *Hi Alicia,*

*Please except my heartfelt sympathy on the passing of your father.  
May the peace which comes from the memories of love shared,  
comfort you now and in the days ahead.*

*Although no words can really help to ease the loss you bear, just  
know that you are very close in every thought and prayer.*

“ May I offer my sincere condolences on the death of your father and husband, Mr. Chapman. Rest assured that your Heavenly Father is aware of your pain and grief. He has already made provisions for Mr. Chapman to be resurrected to life again in His due time. Our Heavenly Father knows how much death hurts us. He knows that we are helpless in the face of it...but He is not! That is why He is going to destroy death forever!! (1Cor. 15:26) That is also why he has promised us, through his Son, Jesus Christ, that the hour is coming when all those asleep in death will awaken at His command (John 5:28,29) Our Loving Father assures us that soon death, mourning, outcry and pain will be things of the past! (Revelation 21: 3,4) May these words comfort you in the days and weeks ahead, just as they comforted me when I lost my father. Rest assured these promises comes from a Father who truly cares about you and will do all that He has promised (Titus 1:2). My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
