“ *I would like to extend my condolences to the family of Mr. Amos Jones, Sr. I did not have an opportunity to meet him; but I have met his daughter, Cynthia Jones-Johnson. When I note the love and care that she displays toward her family it does not appear to be something that she has had to learn. It appears to be something that she has seen modeled from her father and mother.*

Doing this time of bereavement may you see the all sufficiency of an all wise God.
