“ *I want to express my heartfelt sympathy for the loss of Andre. Even though I did not know him personally, we are all precious in God's eyes. The bible is the only place we can find true comfort during this difficult time. Jehovah, the God of all comfort, will give you power beyond what is normal to be able to endure your loss. He knows the sorrow you feel. You are in my thoughts prayers. Jehovah God promises, we will be able to see Andre, very soon on the paradise earth, where death will be no more. Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##*

“ I am going to miss saying to you,
"Call me, if you need me" after any conversations we have had over
the phone over the years. I believe, I have dialed your cell phone
over dozen times since your passing, just to hear your voice on your
answering service, yet knowing and realizing that your not going to
answer, because your in good hands now.

*We will meet again. Tell Theodore, and Bernice they have been on
my mind, and they're in my heart, as well as you Andre.##imported-

“ *"This is the day that the Lord hath made let us rejoice and be glad in it."*

Well my beloved brother today is the day that we shall lay the shell (your body) to rest, for I know your spirit is rejoicing in heaven with the angels around the throne of the FATHER. I too rejoice for I know that you're in no pain and that you are there with our parents. It did my heart good to hear your final words before your demise call on the name of Jesus as you made your peace with the FATHER as well as with us your siblings. Spread your wings Andre and fly, I can only imagine the wonderful glorious feeling you're experiencing right now but one day soon I too will be there too!, to rejoice and fly with you giving all praise and honor to our Lord and Saviour Christ Jesus until we meet again, I love and miss you deeply, your sister, Evangelist Denise M. Richardson.##imported-begin##Denise Richardson##imported-end##

“ *I never really thought of you as an uncle. I believe our age played the biggest part. You were like another cousin to me, to us all I believe. We would all be in the “kids” area in the basement on Sunderland laughing and talking. I also remember growing up thinking that you were so cool. You would be dancing in front of the TV watching “The New Dance Show” and I wished I could do the snake just like you.*

I spend so much time away that I missed so much. The last few times I was home I got a chance to interact with you. I remember thinking to myself one time “Dang, Andre still cool as a fan...” I won't say goodbye, I'll just say “Stay cool and show me how to do the snake when I get there!”

Love,

“ To Evangelist Richardson and Keith,
"They that sow in tears will reap in joy" Psalms 126:5

Evangelist Richardson and Keith, remember our Heavenly father is ready to help you through this difficult time. Draw nigh to him and he will draw nigh to you. He shall wipe away all tears from your eyes. Our Father which is in heaven has given us instructions as what to do if we want to see our love ones again. Have peace in knowing you will see him again. I know you will miss your brother dearly. Just hold on to all your memories of the time you spent loving him. Our prayers are with you and your family.

God Bless and Keep You.
