“ *Anthony was a really good friend of mine. I stay in the neighborhood and have been known to be with Anthony at the car races and around the hood chilling and talking about cars! He was actually in the process of buying a car from us. I just want to say the its going to be weird not having his physical precense with us this summer but he will always be with us in spirit as we fly through the hood and races! lol Im sorry for your loss and my prayers are with you and the family and may God bless you during during your time of sorrow!
