“ *Words seem inadequate to express the sadness I felt upon hearing of Anthony's passing. We were very good friends during high school and kept in contact after the both of us went on to join the military. I will always remember Anthony's great smile and warm heart. He is a brother that will be truly missed. May the soothing of God help you during this difficult time and take comfort in knowing an angel is watching over you##imported-begin##Derick Rogers##imported-end##*

“ To the family of Anthony Jackson: I am so sorry to hear of the loss of Anthony. Even though I did not know him personally, his sacrifice and willingness to help others will not be forgotten in the heavens. Some do not appreciate the sacrifice of Jesus in giving his life, so we can have everlasting life. This is what the bible promises. Anthony do doubt appreciated life because he wanted to help someone else to keep theirs.

We can only find comfort during this difficult time in the bible and its promises. Jehovah always tells the truth, he does not lie. Anthony can rest now. We must continue to struggle to survive this wicked world, with the crime, violence, war, sickness and death. God did not intend for us to live this way. The bible gives us much hope and comfort ". 2 Corinthian 1:3-4. Jehovah is the, "God of all comfort" and HE helps us understand how He and Jesus Christ feel about death. Death is an enemy that pursues us all. None of us can out run it. Jehovah is far more powerful than death. Jehovah is our rescuer who has already shown (by Jesus resurrection) that he can defeat this enemy. 1 Corinthians 15:26 (As the last enemy, death is to be brought to nothing). Isaiah 26:19 "your dead ones will live ...they will rise up". We WILL be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future. John 5:28-29, Jesus said "all those in the memorial tombs will come out" and there will be "a resurrection of righteous and unrighteous".
