“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4.##imported-begin##susan##imported-end##*

“ *I would like to send my deepest condolences to the family. I know this has got to be hard, but we all know that it will get better with time, even though we didnt know each other for a very long time, he was a very well respectful young man who always had a smile on his face. He also could cut hair very well. He hooked my brothers hair up. May he rest in peace. I love guys.##imported-begin##Sabrina Horton##imported-end##*

“ Just a note to this family, who happens to be somewhat a part of my extended family since we've know each other so long, that I, and so is the rest of my family, here for you all. I also want to say to you that I am going to miss Anthony too. Calvin will miss him too - he just loved to have Anthony cut his hair and put all those crazy designs he requested on the back of his head. Anthony never complained, and he "hooked him up" everytime. Keep your heads up and put ALL your trust in our loving heavenly Father, Jehovah (Psalms 83:18). When times come when you feel you just can't go on, throw ALL your burdens on Him (Psalms 55:22). You can also always call me (313-835-8236-home/313-836-6944-cell), anytime day or night, don't matter. I love you all, and will continue to keep you all in my daily prayers!!!

LOVE & HUGS,
