“ *Thersa, Chris, George and family*

We are so sorry for the loss of your dearly beloved Anthony. We loved him very much too, he was a very sweet, gentle and loving young man. I have spoken to Toney several times and I know not only by observing him but because of his testimony that He was truly a child of the Most High God. He loved the Lord, and he spoke of how his Grandmother taught him and trained him up in the Lord. He had a beautiful spirit and heart. I know you will all miss him, and so will we but we know to be absent from the body is to be present with the Lord. We pray that God will give you, our family, the strength and the peace that surpasses all understanding to go through during this time. Always know, that although we don't know the plans that God has for us we know that He doesn't make any mistakes. May God bless you and keep you. We are here for you and you are in our prayers. “ *Theresa, I stopped by Pye's earlier today hoping to see you or Pas. Willis, because I can't attend the service tomorrow. I have had the privilege of bearing some of your pain in my times of intercession. I have asked the Lord to hold you very close in His bosom, with an embrace from which you cannot dislodge. Today...tomorrow...and forever, only Jesus CAN; and praise God, He WILL!##imported-begin##Rev. Delphine Reed##imported-end##*

“ To the family of Tony Clements,

It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.

You are in my continued prayers.
