“ Mrs. Walton, Arthur Jr, Anthony & April

Ecclesiastes 7:1 states: "A name is better than good oil, and the day of death than the day of one's being born." This scripture is very true, when it come to your husband and father. He has made a name the desevers the upmost respect, because of his quite and mild spirit he always carried, from the day I met him at the young age of 10 years old. He welcome me into his home as an extention of his family. He has always been a man that you didn't hear speaking a lot, but you always knew he was there from the fruitage, of his hard work that he did with his very hands, from the beautiful home he built, to the beautiful family that he was the head of, his family is a reflection of his love,kindness,and always doing good toward everyone equally, from the heart. This comes from a very strong, and loving family man, and that's the name that Mr. Walton has left us to remember him by.
