“ To Aunt Alice and Austin, Deborah, Wanda, and Cyrus, I just want ya'll to know that I love each and every one of ya'll. Uncle Austin was a great man who always encouraged me, every time he saw me, to get my education and be a successful GASS man! I thank God for him and his influence in my life along with you all. Please remember that God is in control, and He knows how much we can bear, even when we can't see it. I will continue to keep ya'll in my prayers.
