“ My dear family,

Forgive me, for I could not be there in Detroit during your time of lost. I feel the lost of my first cousin Berry. He was loved as a brother, father, grand father, uncle, nephew, and son. I can see him now in my thoughts. I remember his joking mannerism, his funny laugh and funny round head (ha ha ha). My heart is sad but I smile and laugh with joy to know that I have good memories of him and that he is with the Lord now. I will truly miss him. We all will miss him.

I say to my cousin Darryl:

You have been through a great deal of family lost. More than I could imagine and you remain strong. Continue to be strong for the family. I know it is easier said than done sometimes but your strength will hold the family together. You are the ROCK of the family. You are a great example of a Dad, husband, uncle, etc... The LORD will give you what you need and keep you where you need to be. I love you like a brother and you can call me anytime.

To my young cousins: Crystal, Kiera and Chris, Keep your father in your heart. He loved yaw. Sometimes death is hard to understand and accept and we ask GOD, WHY? But GOD has a plan for all of us and only he can place peace in your heart and your spirit to rest. Remember to seek the LORD and comfort will follow.

I love all my family and hope to see everyone in good health and spirits when I come home to Michigan.

Call me if you need anything, anytime,

Mike J

“ *A thousand words could not comfort your heart like the Lord can. If I were to offer you a word of comfort today, it would be to seek God and ask of Him comfort and peace. Crystal and Kiera and Chris, I know that your father loved you temendously but you must know that you also have a God that wants to be your heavenly Father who will be there at all times for you and will help you through this greivous time. I love you and I pray God's peace upon you.##imported-begin##Aunt Liz##imported-end##*
