“ *After all this years i still remember BJ and he comes to my mind sometime.
Im late 90s i was a a small time contractor starting to grow my business .
I meet BJ when he requested a remodeling contractor from Service Magic who is now Home Advisor.At that time i had some experience and he was one client who believe in me and gave me different remodeling jobs around his house.In time he gave me more jobs and i came to respect him for how well he was organized, very clean ,sense of humor and his love for art, photography etc.I did not think will be a major issue when i saw him with a walking cane and never came to my mind the this will be fatal.
I did not find out that he pass away till some time after and i felt a sadness that i never felt before. I wish that i could comfort him .May GOD comfort you on the other side friend.

“ May the hope at Isaiah 25:8 bring the Williams family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##

“ I will always remember Behe as the guy with the biggest smile, best laugh and strongest hug. He lit up a room when he walked in. His earthly home is just a bit dimmer now with him gone, but heaven is that more bright.##imported-begin##Heather Martin##imported-end##
