“ Mr. Benjamin Crooke was a great person with a good heart. He had an outstanding personality. It was a blessing for me to get to know him. I was one of his caregivers. I can honestly say I loved taking care of him. He taught me alot, he always gave me great advice and inspired me. He always encouraged me to never give up on my dreams. He believed in me, He is my hero, He was like family to me. I love you Mr. Benjamin Crooke (smile). Listen to this one before Mr. Benjamin Crooke passed away, we had a talk. He said to me, Chris your only big problem is that you talk to loud, lower your voice and slow down when you speak and people will undersand and hear you better. We would laugh together each and every day. I will miss his smile. What an intelligent person he was. He made me a better person and I thank him for that. Mr. Benjamin Crooke I love you so much. Rest In peace My friend, I know you are in good hands now. I believe you are looking down from heaven at us saying I made it, I'm here, don't worry, I'm alright. Much love Christopher Levingston###imported-begin##Christopher Levingston###imported-end##
