“ Dear Family:

May the Lord provide you with peace and love during this time of lost.

*You were a very special man
Who once walked upon this land
Until God decided to take you away
Eternal life is where you'll stay.*

In a very special way you touched my life...and left a place of peace and joy in my heart.

You were once my lover and my best friend....we kept in touch but not nearly enough. Now it is you that I lack...You were a man that meant so much to so many...you touch so many hearts....a constant guide and teacher to behold.

*For so many lives you have touched
I knew that mine was only one
Even though I was only one
I love you and I will never forget the poem you wrote me "I Believe in Love at First Sight....that is truly what you gave me. Your best love and friendship. I never told you enough of how your love and wisdom still affects me today...so please no you will be forever in my heart and I will love you forever as a love like your does not come by often.*
