“ A Angels Kiss

*We go through life so often,  
Not stopping to enjoy the day.  
And we take each one for granted,  
As we travel on our way.  
For in your pain and sorrow,  
An Angel's Kiss will help you through,  
This kiss is very private,  
For it is meant for only you.  
We never stop to measure,  
Anything we just might miss.  
But if the wind should blow by softly,  
You'll feel an Angel's Kiss.  
A kiss that is sent from heaven,  
A kiss from up above  
A kiss that is very special,  
From someone that you love.  
So when, your hearts are heavy,  
And filled with tears and pain.  
And no one can console you,  
Remember once again.  
About the ones you grieve for,  
Because you sadly miss.  
And the gentle breeze you took for granted,  
Was just an Angel's Kiss.

“ *A great website to post memories of Brian is [www.virtual-memorials.com](http://www.virtual-memorials.com). Please create one for him... and his memory can live there. People from all over can visit and leave messages for many years to come... this will be a great spot for his sons to chat with their dad and receive encouraging messages for others. God bless you. This young man does NOT need to be forgotten and his story needs to be told over and over again... until the death penalty is brought to Michigan.##imported-begin##Truth##imported-end##*

“ My heart breaks for Brian and his family. I only knew his gentle Spirit from working with my children at Charles H. Wright... and a few years ago, he was my daughter's lifeguard at the Trailblazers summer camp. I am so sad sad sad... and if there was anything I could do that would reverse that evening and cause Brian to not be at that place at that time, I would do it in a minute. I have not been able to stop thinking about him since that night. Every day he is on my mind as one of the worst tragedies EVER! Please know that you are not suffering alone. Detroit is grieving with you. We are praying for the strength of all of you... we cannot always control the things that happen to us, but we can try to be strong and keep living the lives that we STILL have. Brian would want all of you to be happy during these holidays. Give him that gift, if you can. May God bless you and strengthen you to do it! He has 4 wonderful children who he tried his best to live for... I pray that they will grow up with peace.###imported-begin##K M K###imported-end##

“ As a mother I know there is no greater fear than we might have to bury our child.. As I write this I reflect on my own son and can only imagine the pain in your families heart at this moment. I search for words that you can draw upon for even the smallest level of peace and understanding. A name comes to mind and that is God. Call upon him, surrender to him, allow him to touch your spirit and your mind. It is my prayer that he will strengthen you as you go on, that with each day the pain is less. I pray that one day you will think of the wonderful young man a saw in the pictures and smile a smile that comes from deep within your heart,remembering not his death but the happy memories, cherishing the thoughts that no one can take away. God Bless all of you.

“Wow what a great loss we know him from being a great father and friend, At Charles H Wright he was a GATE KEEPER for the little children he made sure that the children were safe coming and going from school. “The steps of a good man are ordered by the LORD: and he delighteth in his way. Though he fall, he shall not be utterly cast down: for the LORD upholdeth him with his hand.” (Psalms 37:23-24 KJV)

*A Prayer For Strength To Keep Going*

*Most Precious Lord Jesus, Gentle and Wonderful God,  
Truly Awesome and Ever-present Holy Spirit, Precious Lord Jesus, I  
love you.*

*Thank you for this time of worship  
and reflection.*

*Thank you for these moments we spend together as I seek your  
love and strength.*

*I love you Lord.*

*I need your strength to keep going  
in this present hour and in  
the days ahead.*

*I thank you for your sacrifice  
for me on the Cross.*

*From your sacrifice, knowing what you did for me, I draw strength  
and power to face the daily grind of my life.*

*During the coming days I will need your strength to do your will and  
to give your love to people who do not know you.*

*Help me find your strength to keep going so I can let your Light and  
Love  
shine out to others.*

*In your presence, I find my purpose for living even when I am weak.  
In your kingdom, I am called to be your mature child upon this  
sphere.*

*Help me as I try to live out my faith no matter what I must face.*

*Touch the lives and hearts of everyone I pray for each day.*

*If you must make a choice between touching others or touching me,

whom I can rely.*
