“ *I would like to say i went to job corps with Bryan. he was a wonderful person he taught everyone a lesson in life and didn't care what any one said or what any one thought. He loved his daughters more then life itself. Everything he did was for them and only them. I rember the day he got his tooth fixed and he came back to job corps and had the biggest smile in the world on his face. He came to me and said you see anything diffrent then started laughing. He was loved by everyone and we all miss him. i love you Bryan and you will be in my heart forever. May God be with the Ashely family.##imported-begin##Felicia Houston##imported-end##*
