“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4.##imported-begin##susan##imported-end##*

“ *Everyone who has had the privlidge of knowing Carlton will truly miss him. I was able to attend his memorial and I have never been to a more awesome and uplifting celebration of a life lived and of God's love than there was today. Carlton had lot's of sayings at work: "He (or she) is GOOD!" or he'd tell everyone "Good Job!" When I looked at how much love was in that room tonight for him and for our God, I wish I could tell him one last time "Carlton, YOU ARE GOOD!" Praise the Lord, for He is Good.##imported-begin##Matt Jackson##imported-end##*

“ I also worked with Carlton at King Pharmaceuticals. It is such a loss with him leaving us so early. I only knew the work side of Carlton, but it was a great side that will truly be missed. No body has his humor or could lighten up the room like he could. My thoughts and prayers are with Carlton and his family.##imported-begin##Peggy Reygaert##imported-end##
