“ *Charles was one of those friends who displayed ancient wisdom, far ahead of his time. He will be remembered for his strong will and forth right demand for excellence by all. “ You are a valued friend. I am so thankful for having come to know you. I, remember the times at Southwestern High where I, first met you. I, remember the jokes, the deep conversations about everything. I, especially remember when you would join my family at the Kingdom Hall and like many of the talks about the Earth being returned to Paradise that Jehovah intentioned before Satans rebellion. We will see you again Chuck in the Resurrection, that Jehovah guarateed through his Son Jesus. At John 5:25-30: "25 "Most truly I say to YOU, The hour is coming, and it is now, when the dead will hear the voice of the Son of God and those who have given heed will live. 26 For just as the Father has life in himself, so he has granted also to the Son to have life in himself. 27 And he has given him authority to do judging, because Son of man he is. 28 Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment. 30 I cannot do a single thing of my own initiative; just as I hear, I judge; and the judgment that I render is righteous, because I seek, not my own will, but the will of him that sent me. That will be a Great Day when Tears of Sadness", will be replaced with Tears of Joy". Yes, my friend we will once again sit and talk about everything. Until then my Friend I'll see you later.....
