“ Sorry we can't be there with you guys and to pay our respects for your husband and father. We are sending much love and sympathy. We wish there was something we could say to make you feel better, but we know there isn't. The only thing that gives me comfort is that he is in good company in heaven!

*Much love to you all!*

“ Dear Joyce and Charles' Family:

*It is with a heavy heart that I offer my sincere condolences on the loss of Charles. I will always remember him as being uch a wonderfully light hearted prankster and a great cook!  
For all of us, Life, like a mist, appears for just a day then disappears tomorrow. All that we are can quickly fade away, replaced with tears and sorrow. You and the rest of your family are in my thoughts and prayers through this difficult time.##imported-begin##Towana Tate##imported-end##*

“ Dear Family, please accept my sincere condolence. While I don't know your family, I do know the pain, grief and feelings of helplessness that the death of a loved one can bring. At such times, we seek comfort from God's word...2Corinthians 1:3,4 helps us to understand how God and Jesus feel about death. Jesus even grieved at the loss of his friend Lazarus,John 11:33,35 tells us that he "gave way to tears." Even though Jesus knew something wonderful was about to happen, he still felt the pain and sorrow that death bring. Jesus' grief encourages us...it teaches us that Jesus and his Father, Jehovah, hate death. The account of Lazarus teaches us that resurrection in a reality and not a myth. Jesus raised Lazarus in front of a crowd of eyewitnesses. This miracle softend the hearts and minds of unbelievers...they put their faith in Jesus. We too can trust in Jesus and Jehovah, John 5:28,29 tells us that "all those in the memorial tombs will hear his (Jesus) voice and come out." We look forward to the days when we can see our dead love ones again. If you would like to further discuss God's many promises of a paradise earth, please feel free to send me an email.##imported-begin##Cynthia Mills##imported-end##
