“ *To the family of Chuck - May your hearts be comforted during this difficult time. Please know that others are thinking about you. Our Grand Creator Jehovah knows the pain you feel. He never intended us to live a short while and die. He wanted us to have everlasting life. Rely on Him for comfort. Even Jesus said at Luke 23:43, "You will be with me in paradise. The resurrection hope is very near. Revelations 21:3-5 tells us that soon we will mourn no more and death will be a thing of the past. He will dry up all our tears.##imported-begin##Liz Malone##imported-end##*

“ I will like to send my sincere condolences to the family, of the late, Charles Hubbard-Wright. The death of a loved one can bring about many untold feelings. What has helped me to cope, is the hope of a resurrection (raising up;standing up) set out in God's Word the Bible. Some Scriptures that come to mind are: Job 14:14,15; John 5:28,29; Acts 24:15; Isaiah 25:8; and Revelation 21:4. We can see from these verses, that those who die, can live again. And death itself will be done away with. You may wonder: Why do we get sick and die? What happens to us when we die? Where will the dead be resurrected, or will i ever see my loved one again? To find the satisfying answers to these questions, please feel free to visit our website: www.watchtower.org. I thank you for your time and hope that those Scriptures bring comfort to you, as it does for me.##imported-begin##Sekena##imported-end##

“ My darling son Chucky will missed beyond words or expression. I will always thank God for allowing me to be the vessel referred to as "Chucky's Mom". Chucky's life touched so many lives how grateful I am . His life gave me a wealth of knowledge to help others in similar circumstances and and to encourage others. As for my children they were blessed to experience a servant's heart, which has made them all so loving. How I love all my children. Chucky isn't lost He's with Jesus. To my wonderful husband thank you for being a trooper for me and Chucky as we spent many nights in the hospitals and ERs. To my children all your lives you known your big brother Chucky and it's been a normality for you all. Thank you for all the teamwork. Home team members Anthony, Janice Gary Jr., Cortland,Bobby, Grant, Jeremiah & Hannah I love you all so very much. We have so many wonderful memories to cherish. I was his mom/advocator/nurse/etc. but we were a team. Craft night we will make something in memory of Chucky. It's too many to mention so to all whom were touched by Mr. Charles A.
