“ *Kat, Emery, and Trinesia*

There are so many things I am feeling right now but I don't have all the words to put with my emotions. I have known you for almost 40 years and you are my family too. One thing I can say about families is though they have difficult times, they huddle close and they stick together through life's issues.

Charles is in a better place, I really believe that. You must believe that to. Know that this is not the end for you or Charles, but another chapter in what we call life. Charles will be with you wherever you go, just look into your heart.##imported-begin##Doug Hayes##imported-end##
