“ *I hope in time of need that everything will be alright. Charlie was a good person. I worked with him at Quicken and he always was a happy person. Stay strong.*

“ *When I think of Charlie – an immediate smile comes to my face. It was apparent in a few minutes of my first conversation with Charlie his wife Gloria, daughter Bri and son Byron and even his dog Bumper were the center of his life.*

The words “Gentle Giant” were truly coined for him. He was quick to make a friend and his smile could light a room. If he only had one shirt on his back and thought for even a second you could use it – it was yours.

His positive approach to life and desire to accept any challenge put before him was truly an inspiration. He was always willing and driven to try something new – he said that is the only way to grow. I am proud to have had the opportunity to know Charlie.

Our gentle giant will be truly missed##imported-begin##Cyndi##imported-end##

“ *What a nice person Charlie was! I only knew him for a short amount of time, but I could tell that Charlie was one of the good ones! I missed him when he wasn't back to work here, and am very sad that I won't get a chance to see him again. See you another time in a better place Charlie. Our family has been including you and your family at grace around the dinner table the last couple of days.##imported-begin##Steve Christ##imported-end##*

“ I can think of so many times, seeing Charlie's smiling face in the halls. He was so kind and thoughtful to all around him. I feel extremely blessed to have had the priviledge of knowing him. His kindness was always heart-felt and truly sincere. I know I've thought twice about my own personal responses, just by thinking of him and how he was with everyone around him. He will be sorely missed and his smile will be forever engrained in my mind.##imported-begin##Phaedrah Downey##imported-end##

“ Charlie had a great way about him. He was a guy that always made me glad that I had a chance to chat with him. He was always excited to here about the success of other teams as much as he liked to share his own success. Truly excited by new opportunity he embrassed them with vigor. He has been someone that I missed seeing.##imported-begin##Todd Horner##imported-end##
