“ *Hey Dad!!! Rejoicing and Remembering your Memory today! How much we miss you~ You already know! As I know your watching over us all~ 1year ago,we were gloomy&overwhelmed with living without you~Today it is still as hard as that day;because all the final goodbyes were shared... "I am Free", is the poem I chose for you~ After reading it today I felt a sense of Spiritual Strength! That is what keeps me close to you! Of course Adam & Mom are doing their best~ We Love You & Miss You~ Your Daughter-in-law, Soraya###imported-begin###Soraya###imported-end###*

“ *My Deepest Sympathy goes out to the Stiger family. Mama Stiger, brother Adam I know your pain right now. But I also know that GOD will take care of you doing this time of grieve and sorrow. Shedding tears helps but keeping his memories alive is what will make it easier. He may be gone but you haven't lost anything because of the time and love you shared with such a great man. It was truly a pleasure to know him. Thanks to my BFF Soraya my life have intertwined with a lovely family and I love you dearly. So I celebrate saying R.I.P. to Daddy Stiger and want you to know I am here for you no matter what, to talk to share with or just lend a helping hand. Love Always Angel and Capri###imported-begin###ANGEL EWINGS###imported-end###*
