“ *The people we love live on in our hearts. It take a long time to get used to the loss of someone we love. But it's important to remember that when people die they leave something very special behind. They leave us memories of the things they said and did. And as long as we have theses memories the people we love will live on our hearts and minds.Rev 21:4 helps us to see God will wipe out every tear from our eyes and death will be no more....With Deepest Sympathy.##imported-begin##Geneva Humphrey McClendon##imported-end##*
