“ *My very loving brother. There are no words to express how empty I feel with your passing. You guided me throughout my life and helped me shine after my dark days. Your smile is forever in my mind and your love is forever in my heart. I will accept the fact that God needed you more than I did. I miss you so much and I pray that you are at peace. Thanks for the memories of having the best brother in the world. Loving you forever until we meet again.##imported-begin##Nuggie##imported-end##*

“ *Charles,*

You are my niece, Birdie's, dad and you have always been like family. My family and I will miss you terribly. I am still in shock over your sudden passing. Paul will especially miss you and the days you guys spent playing dominoes. I will always recall how you would holler out "DomiNo!" when you won a game against Paul. It was you and Helen who introduced me to the music of James Brown when I was just a little girl. You will forever be remembered in our hearts and prayers. Love, Landa, Paul and the family.##imported-begin##oralandar##imported-end##
