“ *You're in our prayers. May Jehovah give you comfort during this time of loss of our dear June. He was a very special person, and we will remember the great times we had playing in the pool and clowning around. We are family, and if there is anyway we can help, we are as close as your phone. We love you and him dearly. We pray for his beautiful girls. Bootsie & John###imported-begin##Janett Sharee & John Galloway###imported-end##*

“ Let me extend my heartfelt sympathy to the Jones Family. Dr. Jones was my economics teacher and his class had a joint venture with Junior Achievement (JA) in 1986. I enjoyed the class and still remember some of his teachings. In addition, we would talk from time to time after high school and later lost contact with him. I will truly miss him and his jovial personality. God Bless Each and Every One of the Jones family.##imported-begin##James Williams##imported-end##
