“ *Mr. Charley Sykes Jr.*

“ *Thinking of happier times, when gumbo flowed, and laughter & challenges emitted from the bid table. The kids huddled together watching "Shock Theatre" in the living room. Jerry sneaking out the back door, then appearing at the front door with a sheet over his head. Oh how we screamed!*

Or times when family and friends would leave Fleetwood, go home and get ready to go by Chuck's for a evening of fun and leisure. At Chuck's, the beautiful Daisy would make you feel at home.

Well, Chuck, "The Bible" says we will have different relationships, yet we will know each other on the other side. So, if you see; Daddy Charley, Daisy, Tony, or any of the folk gone on, say hello for me.

I will do better in checking on Beadie, knowing how much she loves and will miss you.

*Rest in peace,
