“ *Chauncey I miss you so much! You took me in and treated me like a brother when I didn't have any male figures in my life. You called me your little brother and I never have been able to forget you. You never got to see me make it to high school...but I know you'd be proud of me. I'm in school to be a doctor now and I have a family of my own! I'm so sorry I never told you how much I loved and admired you, you were Superman to me. You're still my beloved older brother and you live in my heart and memories!*

“ *It's almost 2022 and I still think about you. My 14 yrs old was named after you. I'll never ever forget you.*

“ We only met for a short period of time when you visited your Dad in Bainbridge Georgia. How I wish I could have gotten to know you better. I am proud that you graced my home with your presence and we were able to see some of your god given talent. I recall we had just put up a basketball goal the summer you visited. You and your cousins were shooting hoops and you were quite good then. You have a couple of cousins up there so get a game on and be blessed as I know you are in your home on high. “ Chauncey,

You were such a handsome and strong young man, you will be missed. You and Aunt Viv have had the most wonderful relationship that a mother and son could have. I can't say enough how proud of you we all were, you've accomplished so much in such a short time. Who knows what you would have become, it's sad that we will all have to wonder. I will miss you little cousin!

Aunt Viv,

I can't imagine the sorrow you are feeling right now. I know that your heart is hurting a great deal and I am so sorry. For so long it was just you and Chauncey and you've done a wonderful job raising such a cool young man. Along with Edwards help, you guys molded a star in his own right. Find strength in knowing that you have done a wonderful job as his mother. That is why is missed so much, because he became a wonderful, caring, respectful and talented young man with your guidance. If there is anything that I can do for you and the family I am always here.

With much love your niece,

“ Absence of you

*It hasnt been long
And Im not sure how to
handle the absence of you.
Just when my mind has decided
Not to focus on you.
Just when a smile has started
To appear on my face again;
Right at that moment,
Someone mentions you;
And Im reminded
That it hasnt been long
And I dont know how to handle
The absence of you.
I havent figured out what response
to give when Im asked
Questions that concern you.
At that moment all my thoughts
turn back to you;
And Im reminded that it hasnt been long
and again Im not sure how to handle
the absence of you.
How long will it take?
Maybe a week; Maybe a month or two.
Im not sure but Ill adjust
and eventually get used to the absence of you.*

“ To Chauncey's family,
So sorry to hear of your loss. Our son, Clint played basketball at Weber State with Chauncey. He was such a wonderful boy, when we went out to see Clint, Chauncey always came up to us and talked to us. Our hearts ache for you. No words can express how we feel. Our thoughts and prayers are with you and may the wonderful memories you have of Chauncey help you through this difficult time.##imported-begin##The Larry Burris family##imported-end##

“ Hunter I'm sorry for you and your families lost, if their is anything that i can do for you and your family just let me know. Here is a poem. I'M FREE Don't grive for me, for now I'm free. I'm following the path God laid for me. I took His hand when I heard him call. I turned my back and left it all. I could not stay another day. To laugh, to love, to work or play. Task left undone must stay that way. I found that peace at the close of the day.If my parting has left a void. Then fill it with remembered joy. A friendship shared, a laugh, a kiss. Oh yes, these things I too will miss. Be not burdened with times of sorry. I wish you that sunshine of tomorrow. My life's been full, I savored much. Good friends, good times, A loved one's touch.Perhaps my time seemed all to brief. Don't lengthen it now with undue grief. Lift up your head and share with me. God wanted me now, HE SET ME FREE!##imported-begin##Nicole Nikki Davis##imported-end##
