“ *Mamie,
We have just learned of your loss today. We all were out of town and had no access to the internet to receive Homer's message. It is with heartfelt sympathy for you and your family today. God loves you and so do we.

“ *Mr Chester Baskin impacted my life on three distinct occasions: risking his safety during the 1967 Detroit Riot to get me home safely; being a successful African American business person for others to emulate; and helping me and my family get reorganized in the Detroit Metro Area after I retired from the US Army.*

“ Grandda

I love you. God blessed me to be your granddaughter and I will be forever grateful. It hurts so much to know you are gone and I won't be able to see your beautiful smile anymore. I will carry you in my heart forever and I know we will see each other again someday. Thank you for teaching me the the meaning of unconditional love. I love, love, love you. So I am not going so say good bye but I will say I will see later and we can fish for bass all day long .
