“ *To Chris's Mom and Family:
I haven't seen Chris in years, but he and I would carry messages back and fourth threw our mutual friend, Sylvia Gordan. And yet I haven't seen him in such time, I remember his smile. Where do I begun, Chris was a Gem that sparkled, a very quiet person that stayed to himself, he never bothered anyone nor did he have anything to say bad about anyone. A rarity that is unfound in this diversed and complex world today. His life has not ended, in human/flesh form yes. He is now just begun to live. God Bless the Family and may you all find peace and comfort in this time of need.
