“ *Uncle June, I will certainly miss you! You have been there so many times for me in my youth and during my adult life. I could always depend on you to give me advice and help me during my time of need,especially when i lost my son Aaron you and mama were here to support me and help me to go through.I will definately miss you and i love you so much.I know i wasn't able to visit you the last couple years at Fairlane but i always tried to write and call you just so you could hear my voice and have the letters read to you to let you know we were thinking of you!! God Bless you and know that you will truly be missed, love Ann##imported-begin##hattie biggs-bland##imported-end##*
