“ *What can i say.I was shocked when i heard you passed.I remember when Darrell introduced us, you said nothing, but treated me just like a brother too. I also remember that you were the storyteller of the group. We would sit there quietly like kids listening to you or we would be laughing so hard we couldn't stop. Just want say we'll miss you."Big Wes"###imported-begin##wes&candy jones###imported-end##*

“ *Cab,*

I know that your resting comfortably now. But you will be truly missed by all. You were the only Uncle who still called me "Pup" and I will miss that.

You were love by all the kids and had some type of affect on everybody you came in contact with. I have alot of memories of fun times we always had together from the time I was a little girl until my adulthood. We always talked and you were always there when I needed you no matter what,from moving to putting up Christmas light for Aramis(by the way, he loved that). I can go on and on, but i'll end here. You will be missed by all.

Love you. Tamika, Whitney and Aramis###imported-begin##Tamika Latham ###imported-end##
