“ *To the family:
My heartfelt condolences and deepest sympathies for your loss.*

To Mr. Steele:

We were only neighbors for a few years, but you brought a smile to my face everytime I got that "how are ya?" from across the parking lot. I did my best to look out for you, whenever your car was gone for more than a day I would ask people in your building if you were ok. I brushed your car off when it snowed, because I knew you wouldn't be staying in no matter the weather (smile). I did it not because you were an old man, but because you were my friend and more than that I would want someone to do the same thing for my father. The puppies and I will miss you dearly. Until we meet again...##imported-begin##Mecca ##imported-end##

“ *Deepest sympathy over the loss of your dear loved one. Few words can bring comfort during this difficult time, but may the words expressed at Revelation 21:3,4 shed both peace and hope upon your lives.##imported-begin##L Dukes##imported-end##*

“Daddy, it is very difficult to grasp that you are really gone. Words can't describe the void the void being felt. So many what ifs and whys. God realize that you were getting tired and called you home for eternal rest. I want to Thank You for being a Father to me. Thank you for being a vital part pf my childhood and the great exposure to the positive things in life. I will miss our conversations, awaiting your telephone calls on holidays and birthdays. Although rarely mentioned this, I know you have been lonely w/o your Mom, Grandma Steele, now you two are reunited once again. We love you and you will forever remain near and dear to my heart, love ur middle daughter, Carla T. Tate###imported-begin###Mrs. Carla T. Tate###imported-end###
