“ *Dear family of Mr. Best.*

Please accept my condolences and I hope you will find comfort some day soon. The bible promises a resurrection John 5:28,29 under the rule of Christ Jesus. God never intended for us to die. But because of Adam's sin we suffer Romans 5:12, 6:23. We can look forward to the day when sickness, death and all forms of suffering will be removed by God's Kingdom.

May you have peace.###imported-begin###Mr. Crum###imported-end##

“ May the hope of Psalms 34:18 bring the Best family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##

“ I was so sorry to read of the lost of your dear loved one. It seems so unfair that death should have the power to take away someone we love. And when it happens, the thought of never again being able to talk, to laugh with our loved one can be most difficult to bear. Many are resting now, until their name is called in the “resurrection”. Oh yes, Jesus Christ boldly promised: “The hour is coming in which all those in the memorial tombs will hear his [Jesus’] voice and come out.” (John 5:21, 28, 29) Since Jesus made the promise, it is safe to assume that he is willing and able do so. His father, Almighty God has promised us at Revelation 21:4, “he will wipe out every tear from their eyes and Death will be no more.....” May you find comfort and faith in these scriptures for he “cannot lie.” (Titus 1:2)##imported-begin##Dorothy Carroll##imported-end##

“ Words cannot express the pain we feel when we lose our loved ones. To the Best family, please accept my sincere condolence. May you find comfort thru the Word of God. “And he will wipe out every tear from their eyes, and death will be no more...”-Rev. 21:4.##imported-begin##Mrs. Coleman##imported-end##
